## Poděbrady to stage European Race Walking Team Championships in 2021, 2023 and 2025

The European Athletics Executive Board has announced that Poděbrady in the Czech Republic will stage the next three editions of the European Race Walking Team Championships (*as it is now to be called*) in 2021, 2023 and 2025.

The Czech spa town which is situated on the River Elbe is synonymous with race walking in athletics circles. Poděbrady has already staged the IAAF World Race Walking Cup in 1997, the European Race Walking Cup in 2017 as well as the annual European Athletics Race Walking Permit Meeting which dates back to 1929.

Delving even further back into history, a 50km race walking event was held between Prague and Poděbrady as far back as 1894 - two years before the first Summer Olympics in Athens and 38 years before the 50km race walk made its Olympic debut in Los Angeles in 1932.

"We know Poděbrady has a long history in staging well-organised and high quality international race walking events so we are therefore very happy to announce the next three editions of the European Race Walking Team Championships will take place in Poděbrady," said European Athletics President Svein Arne Hansen.

"The fact we have awarded Poděbrady the next three editions of the European Race Walking Team Championships shows we have the fullest confidence in the Local Organising Committee to deliver the best environment for the athletes."

The 2019 European Race Walking Cup took place on Sunday 19 May in the Lithuanian town of Alytus where Italy topped the medal table with three gold medals. One of those gold medals came from Eleonora Giorgi who won the inaugural staging of the women's 50km race walk in a European record of 4:04:50.

In total, eleven European Athletics Member Federations - and one Authorised Neutral Athlete - won medals in Alytus.

Great Britain took their first ever medal in the European Race Walking Cup when the men's team took a brilliant silver medal in the 20km team event in hot conditions in Alytus. Tom Bosworth led the team home with an agonising 4<sup>th</sup> place finishing just outside the medals. However, he led the team to with Callum Wilkinson and Cameron Corbishley producing tremendous last laps to clinch the silver from Ukraine and Italy, **reports Ian Richards**.

Bosworth set the early pace moving away with Germany's Christian Linke ahead of the lead pack on the second lap. They passed the 2km point in 9:03 with Wilkinson sitting in the second pack in 20<sup>th</sup> place. Bosworth and Linke passed the 5km point in 20:15 with an 8 second lead over the chase pack. Wilkinson had moved up to 16<sup>th</sup> in 20:26 and Cameron Corbishley was in 27<sup>th</sup> in 21:04 with Dominic King passing this point in 22.22. King was disqualified at the 12km point.

The team were lying in 4<sup>th</sup> place in the team competition behind Spain, Germany and Ukraine. Bosworth moved ahead of Linke during the 6<sup>th</sup> 1km circuit and held a seven second lead over the German. At the halfway mark Bosworth had a 13 second lead over the chase pack as he went through in 40:11. Wilkinson had moved up to 13<sup>th</sup> in 40:51 and Corbishley was in 26<sup>th</sup> in 42:16 in 26<sup>th</sup> with Dominic King clocking 44:10. The team were lying in 2<sup>nd</sup> place at this point but just a few points ahead of Germany, Ukraine and Italy. Bosworth had increased his lead to 14 seconds by the 12km point. The chase pack had cut his lead to 10 seconds by 14km. Soon after this Swede Perseus Karlstrom and Diego Garcia (Spain) began to close down on Bosworth.

Bosworth clocked a 3:57 kilometre but Karlstrom and Garcia caught him. Bosworth was unable to hold on but was still eight seconds clear of the chasing pack at 16km in 64:21. Callum Wilkinson had moved up to 11<sup>th</sup> place. At the 18km point Vasiliy Mizinov (ANA) had passed Bosworth and he was caught by Spanish duo Alvaro Martin and Miguel Lopez. Bosworth repassed them on the 19<sup>th</sup> lap. Meanwhile in team competition Britain had slipped to 4<sup>th</sup> place one point behind Italy and four behind Ukraine with a lap to go.

Karlstrom pulled away to take the victory in a European lead of 1:19:54 ahead of Vasiliy Mizinov 1:20:18 and Garcia 1:20:23. Bosworth matched his 4<sup>th</sup> place finish of two years ago to clock a seasons best of 1:20:53 to move to the top of the UK Rankings.

Storming last laps from both Wilkinson and Corbishley saw them both pick off a crucial three places each. Wilkinson moved up to 9<sup>th</sup> clocking 1:21:54. Corbishley moved up to 25<sup>th</sup> place to clock a personal best of 1:25:45 which moves him to on the UK All Time list and inside the British Athletics qualifying time for the European Under 23 Championships (1:26:00). This led to a dramatic change in the team positions as Great Britain took the silver medal behind Spain (14 points) with 38 points the same total as the Ukraine and Italy 40 points. Bosworth said "I felt so good today I really thought I would win a medal. I waked 3:57 for the lap they caught me. I rolled my ankle at the point when I was fighting for the bronze medal. I battled

back on the last two laps. I am gutted to finish 4<sup>th</sup> again, but the team medal makes up some of my personal disappointment”.

In the Junior Men's 10km Chris Snook was a brilliant 5<sup>th</sup> place clocking 43:45. He went with the big lead pack in the early stages. Passing 2km in 8:35 in the lead group of 10. Snook maintained his position in the lead group passing the halfway mark in 21:34. The lead pack split up soon after this, but Snook remained in a battle for 7<sup>th</sup> place passing the 7km mark in 30:24. He was able to move up to 6<sup>th</sup> place on the last lap. He benefited from a time penalty for the French athlete Matteo Duc who crossed the line on 3<sup>rd</sup> place and was promoted to 5<sup>th</sup>. The race was won by Italian Riccardo Orsoni in a personal best of 42:43 ahead of the Spaniard Pedro Conesa (43:18) and the Pole Niedzialek who had a commanding lead heading into the last lap but was sent to the penalty zone to serve a one minute penalty so demoting him to the bronze medal. Chris Snook said “Despite being ill recently it is great to finish 5<sup>th</sup> in Europe, I am a bit disappointed not to walk faster and get the 43.00 qualifying time for the European Juniors. My plan was to go with the main pack, but unfortunately I couldn't quite hold the pace in the second half but overall I am very pleased with that performance”.

**Chris Snook in the lead pack**

In the Women's 20km Heather Lewis and Bethan Davies both set of in search of the British Athletics standard for Doha of 1:33:03. Davies passed 5km in 23:03 with Lewis close behind in 23:17. Erika Kelly went through 5km in 24:42. At halfway Bethan Davies went through in 47:22 with Lewis 47:30 and Kelly in 50:47. At the 15km point Lewis had passed Davies as she went through in 1:12:25 to Davies 1:12:47. Kelly passed this mark in 1:18:40. Lewis came home in 21<sup>st</sup> place in 1:37:43 with Davies clocking a season's best of 1:39:02 in 25<sup>th</sup>. Kelly on her GB debut clocked 1:47:58 for 40<sup>th</sup> place as the team closed in 8<sup>th</sup> place.

**Heather Lewis – Bethan Davies – Erika Kelly**

The home crowd went home happy as Zivile Vaiciukeviciute took victory in 1:29:48 ahead of Spanish duo Laura Garcia-Caro 2<sup>nd</sup> in 1:29:55 and Raquel Gonzalez 1:30:17.

In the Men's 50km World Record Holder and World Champion Yohann Diniz lead from gun to tape to take victory in a Championship Record of 3:37:43. He lapped every other competitor twice apart from silver medallist Dziubin of Belorussia (3:45:51) and Jose Viera (Portugal) in 3:46:51. In the first ever women's 50km Elenora Giorgi (Italy) set a new European Record of 4:04:50 to take the first ever

title. Julia Takacs of Spain set a National Record of 4:05:46 with former World Record holder Ines Henriques in bronze in 4:13:57.

The Junior Women's 10km was won by Turkey's Myriam Bekmez in 45:37 ahead of compatriot Evin Demir in 46:49.

Great Britain's silver saw them finish 9<sup>th</sup> in the medal table.

**Ken Matthews R.I.P.**

Ken Matthews, who won Olympic and European 20km race walk titles for Great Britain in the 1960s, has died at the age of 84.

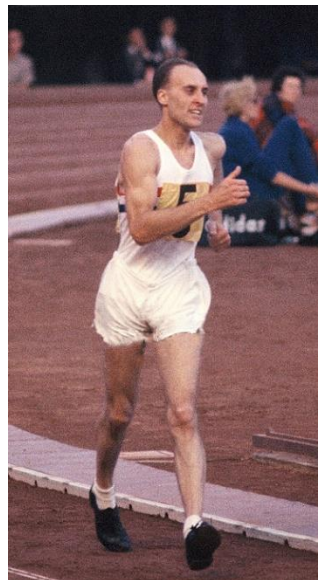

Matthews was part of Britain's 'golden quartet' at the 1964 Tokyo Games and was President of the Race Walking Association at the time of the London 2012 Olympics.

Matthews' winning margin in Tokyo of 99 seconds is still a record in the men's Olympic event and his time of 1:29:34 saw him break the Olympic record.

Two years earlier Matthews had won the European title in Belgrade and he also secured success in the first two finals of the Lugano Trophy in 1961 and 1963, leading Britain to victory.

At the 1960 Olympics in Rome, where he had led the race, he was forced to drop out after suffering the after-effects of flu and struggling in the heat.

A loyal member of Royal Sutton Coldfield Walking Club, Matthews was president of the Race Walking Association in London 2012

Olympic year. His 20km race walk best of 1:28:15 places him in the top 30 on the UK all-time list.

Matthews, who was an electrical maintenance engineer, started his race walk career as an 18-year-old, following in the footsteps of his father, Joe, who was a founding member of the Royal Sutton Coldfield Walking Club.

He went on to win seventeen national titles, as well as secure his Olympic and European success, and between 1964 to 1971 he held every British record from 5 miles to 2 hours, including a 10-mile world best of 69:40.6.

His fellow 1964 champions Ann Packer, Mary Rand and Lynn Davies each received MBEs

following their Olympic success, but Matthews missed out. Following a public campaign, led by the Race Walking Association, Matthews finally received his own recognition and became an MBE in 1977.

He was inducted into the England Athletics Hall of Fame in 2011.

Ilford took a clean sweep of medals in the women's race, as Rachel Lawless and Lesley Morris were 2<sup>nd</sup> and 3<sup>rd</sup> in 18:56.20 and 20:11.92 respectively.

If the Kings, who both have many competitive and training commitments, can always find time to support their own County Championships, why others can't do likewise?

A good field of seventeen toed the line in warm conditions. Matthew Crane led the field away and was tracked by Luc Legon, who had been focussing on his university final exams, and Alex Macheath. At around 1000m Luc moved into the lead and pulled away to take the overall win and retain the senior men's title. Crane was sitting in second until the final lap, when Macheath put in a final surge to take second overall.

Emily Ghose and Christian Hopper were together for a great deal of the race before Ghose increased her pace to cross the line in 5<sup>th</sup> overall to take the senior women's title.

### Macclesfield Shield 10 Miles, Macclesfield (Sat. 6<sup>th</sup> Apr.)

The race was held over the new out and back course over five laps, **reports Roy Gunnett**. Weather conditions were sunny and cool.

Adrian Edwards led the race from start to finish and won the scratch race by a large nine minute margin. Guest walker Stuart Edgar walked well throughout and was a clear second.

The rest of the field battled it out over the tough, hilly course for the minor places. The course took its toll on the walkers with most slowing on the last lap. The exception was Phil McCullagh who put in a late burst of speed.

Joe Hardy won the handicap and was awarded the Macclesfield Shield – a trophy he won thirty years ago!

### Allen Trophy 7 Mile, Chorley (Sat. 27<sup>th</sup> Apr.)

There was an excellent turnout of 15 walkers for the Allen Trophy 7 miles race held at Chorley, **reports Roy Gunnett**. This was the first race following the passing of our President Fred Pearce and our thoughts were much more on our dear friend Fred than the race.

The race was held over the new 'out and back' course. This is tough and hilly, made even harder on the day by 45+ mph winds resulting from Storm 'Hannah'.

Adrian Edwards and Martin Fisher battled it out for the lead with Adrian proving stronger in the last mile to secure the scratch win. Third finisher Tony Malone fought hard to break his target of a sub 70 minutes time and only just missed out. He was however rewarded with the handicap win, thus taking the Allen Trophy. The last time he won this was in 1975 when he was 24!

The rest of the field was well strung out behind. Phil McCullagh yet again passed many in the second half with what is becoming his trademark tactic of negative splits.

Stuart Le Noury and Donna Allan continue to dominate the club Championships, with both being well clear of their nearest opponents in the latest walk over 5 kilometres held on a warm and sunny morning at North Side, **reports Rob Elliott**. Overall winner Stuart dipped under 25 minutes, whilst second home Donna Allan, after a slow start in the opening lap of two which she passed in around 14:40, sped up to cross the line in 28:45 for a new personal best time removing a minute from her previous time. Third place went to Rob Elliott, well down on his recent age best, but still a minute too good for fourth placed Phil Lockwood.

Good walks from Donna and Phil gave them the first two places in the handicapped section of the race, closely followed by Kay Coulson.

**Lynn Carmody R.I.P.**

English race walking has lost yet another hard working official.

The RWA were saddened to hear that Lynn lost her battle against cancer on 28<sup>th</sup> May.

Lynn has been a very familiar face at races the length and breadth of the country for many years. Come rain or shine, she would be out there officiating with a friendly and helpful disposition - a sad loss to our race walking community.

Our sympathies lie with all of Lynn's family and close friends, particularly her husband Noel who has recently finished his term as President of the Association.

### Sarnia Walking Club, Sean Pender Trophy, 2000m Track Handicap, Footes Lane, Guernsey (Sun. 19<sup>th</sup> May)

Phil Lockwood improved on his second place of last year as he crossed the line first in the annual Sean Pender Trophy handicap walk over 2000 metres, **reports Rob Elliott**. A good performance by him, with his best time for three years, was too good for second placed Peter Beckerleg who finished 12 seconds down. A close race for third was won by scratch walker Dave Dorey from last walker to start Stuart Le Noury. The fast finishing Stuart falling short by only a second to finish in fourth place. His fastest time of the day was only a second down on his 2018 performance.

Kevin Le Noury finished in fifth place with Rob Elliott striding past Jayne Le Noury in the final 30 metres. Elliott claiming a new Guernsey age best for the distance on the track, but still down on the time set by Terry Bates in a road walk.

Thanks go to the UK based Sean Pender for his continued support of his trophy in providing the leading men and women with medals and prizes.

Donna Allan walked the fastest local women's time in the 4<sup>th</sup> race of the Sarnia Walking Club Championships on the point to point coastal course from Pleinmont to Lanresse over 10 miles, **reports Rob Elliott**. Her finishing time of 1:36:50 was over a minute quicker than the time set by Jenny Elliott in 1999. The All-comers best set by Cath Reader a few years earlier remained out of touch, but only by a minute.

Walkers started in misty conditions which gave way to warm conditions in the final miles. Positions were sorted out early on with Stuart Le Noury the overall winner in 1:26:50. Second place went to Donna with Rob Elliott in third place.
